

Ecosil NS

Non Silicone Base Mould Release Spray

Benefits :

- Excellent penetration in hard to reach areas.
- Non-staining and non-corrosive.
- Especially formulated as a mould release for parts which are required to be painted.
- No peel off of paint.
- Improved finish.
- Low down time provides increased productivity.
- Ozone friendly propellant promotes clean environment.

Applications :

- As a mould release agent for plastic components which are required to be painted.
- As an anti pattern for metal surface which require post weld painting.
